Subject No. 397.
Ramanhalli channel water.
Mr. C. Srinivasa Rao.

Summary of discussion.—(*a*) The water of this channel should be reserved for irrigation purposes. If it is an irrigation channel, the Municipal servants should not interfere. It is not known why raiyats are prosecuted for using the water of the said channel for irrigating their wet lands.

(*b*) It is requested that the Ramanhalli channel be repaired.

Reply of Government.—Referred to the Chief Engineer.

Subject No. 398.
Restoration of the Hale Madag Tank.
Mr. C. Srinivasa Rao.

Summary of discussion.—As prayed for in previous years, the Hale Madag Tank, which has fallen into disrepair, may be restored.

Reply of Government.—Noted.
